

Community Open House

Nevada City
Highway 49 Corridor
Multimodal Plan

Join us by attending a Community Open House for the Highway 49 Multimodal Corridor Plan. The Plan is needed to provide recommendations for the improvement of roadway and traffic conditions in order to make it safer and easier for pedestrians, cyclists and drivers to cross and travel along Highway 49. This requires a focus on intersections and innovative ways to reduce motor vehicle speeds prior to and throughout the corridor.

The Open House will present preliminary improvement recommendations as well as the phasing of the proposed improvements. Graphics showing roadways and trails within the study limits, and photos or illustrations of possible improvement concepts and strategies for the corridor will be available.

Between 5-6pm, please use overflow parking below the Madelyn Helling Library

Tuesday, July 23rd 5:00 - 7:30 p.m.

Marian E. Gallaher Ampitheater
at the Madelyn Helling Library
980 Helling Way, Nevada City, CA

Study Limits: Highway 49 between Highway 20 and about one-half mile west of Juvenile Hall
