### NEVADA COUNTY TRANSPORTATION COMMISSION ANNOUNCES PUBLIC WORKSHOPS FOR THE BICYCLE MASTER PLAN UPDATE

The Nevada County Transportation Commission invites members of the public to help develop an update of the Nevada County Bicycle Master Plan at one of two workshops scheduled in February. The plan will improve conditions for bicycling by assessing current infrastructure and proposing a future network of safe and convenient bicycle transportation facilities. Completion of this planning effort will allow the County of Nevada, City of Grass Valley, City of Nevada City, and the Town of Truckee to annually submit eligible bicycle projects for State Bicycle Transportation Account grant funding. This competitive statewide grant program has a funding level of approximately \$7,000,000 available in FY 2013/14.

The workshops will be held at Grass Valley City Hall, in the Hullender Room (downstairs) on **Tuesday, February 19<sup>th</sup>**, and Nevada City City Hall Council Chambers on **Thursday, February 28<sup>th</sup>**. Both workshops will be held from 3:00 p.m. to 7:00 p.m. and will feature an open-house format for citizens and public agencies to collaborate on bicycle planning.

Those who are unable to attend, or would like to learn more, are encouraged to visit the plan's website at [www.bikenevadacounty.fehrandpeers.net/](http://www.bikenevadacounty.fehrandpeers.net/), which features a short survey and the latest information on the project.

If you would like more information about the workshops, please contact Mike Woodman at (530) 265-3202 or email him at [mwoodman@nccn.net](mailto:mwoodman@nccn.net).
